70 hours of training in multisensory, structured language tutoring is valued at more than \$700 per trainee (Orton-Gillingham approach including needed Wilson® materials). Your commitment to provide 60 hours of free, one-on-one instruction to a disadvantaged child in our service area, reduces your financial commitment to \$300, the cost of books and materials. If you do *not* intend to serve as a volunteer Augustine tutor in Durham, Chapel Hill, Orange, Chatham or Wake County, tuition for this training is \$700. Some scholarships are available; be sure to let the director know if you need financial assistance.

Make your check payable to **Augustine Literacy Project®** with “**Training Tuition**” on the memo line. **Payment is due at least 45 days prior to the first day of training.**  
**Please mail this form and your check at your earliest convenience to:**

Augustine Literacy Project®  
200 Hayes Rd.
